Questions to Consider:

- How can we ask questions of nature as we move through the world?
- Do you think that science, spirit and stories are equally intertwined in modern day? If not, which realm do we prioritise the most?
- What does the action of braiding symbolise?
- How does Kimmerer put forward "healing stories" as a remedy for transforming our relationship with the earth? What healing stories have shaped your relationship with nature, earth, all that is?
